FOOD SUPPLEMENT

OMEGA 3 FISH OIL 1000mg 180 capsules

DIRECTIONS: Take 1-3 capsules (children over 8 years, 1 capsule) a day, with meals, or as your health professional advises. A daily multivitamin is also recommended. Do not exceed recommended daily intake. Food supplements should not be used as a substitute for a varied and balanced diet and healthy lifestyle.

OMEGA 3 FISH OIL is a pure, unconcentrated, premier quality fish oil from sustainable sources, providing natural levels of the key omega 3 fatty acids, EPA and DHA, plus fish oil's other components, including carotenoids and tocopherols, which work synergistically together. EPA & DHA are important for a healthy heart and arteries, the brain, eyes and flexible joints. Every batch is scrupulously screened for PCBs and other pollutants to ensure the highest standard possible. You will not find a purer fish oil. Protected with tocopherols

This bottle has a UV filter.

Keep out of reach of children. Ensure lid is tight and store in a cool, dry, steam-free environment as damp conditions can affect the product quality.
