DIRECTIONS: Take 1-6 tablets (children over 8 years, 1 tablet) a day, with meals, building gradually, or as your health professional advises. Do not exceed recommended daily intake.

In some cases **MSM** may have an initial laxative effect. This is normal and should stop within a few days. Drink plenty of water. Reduce intake if symptoms are uncomfortable.

A daily multivitamin and vitamin C are also recommended.

Food supplements should not be used as a substitute for a varied and balanced diet and healthy lifestyle.

This bottle has a UV filter.

Keep out of reach of children. Ensure lid is tight and store in a cool, dry, steam-free environment as damp conditions can affect the product quality.
