DIRECTIONS: Adults and children over 12 years, take 1-3 tablets a day, half an hour before or 2 hours after meals. Children aged 4-12 years take ½ to 1 tablet a day. Reduce intake if diarrhoea occurs.

Do not exceed recommended daily intake.

Food supplements should not be used as a substitute for a varied and balanced diet and healthy lifestyle.

Aloe vera helps maintain regular bowel movement, healthy digestion, skin, immune system, menstruation and energy levels. It's antioxidant properties may help protect against excess free radicals, which contribute to premature ageing. Aloe naturally contains up to 200 nutrients, including polysaccharides, vitamins, minerals, amino acids and enzymes, plus natural cleansing compounds. **Aloe Gold Tablets** contain organically grown Aloe vera. This bottle has a UV filter.

Keep out of reach of children. Ensure lid is tight and store in a cool, dry, steam-free environment as damp conditions can affect the product quality.
