VEGETARIAN
FOOD SUPPLEMENT**

HYALURONIC ACID 30 capsules

DIRECTIONS: Take 1 capsule a day, with meals, or as your health professional advises. Do not exceed recommended daily intake.

Food supplements should not be used as a substitute for a varied and balanced diet and healthy lifestyle.

Do not take in cases of lymphoedema.

Hyaluronic acid is known as 'nature's moisturiser' because it binds up to 1000 times its own weight in water. 50% of the body's Hyaluronic acid is found in the skin. Antioxidant Vitamin C acts against age-accelerating free radicals and is required for healthy skin. Vitamin C contributes to the generation of collagen, which is the primary constituent in skin. Low molecular weight hyaluronic acid (80,000 daltons) is more absorbable than high molecular weight hyaluronic acid.

Keep out of reach of children. Ensure lid is tight and store in a cool, dry, steam-free environment as damp conditions can affect the product quality.
