

Comprehensive Cardio Formula

This targeted formula is a holistic approach to cardio health, helping to support blood vessel and heart health, and overall cardiovascular function.* Preclinical science shows certain herbs in Zyflamend™ Heart promote healthy levels of key antioxidants, which may support healthy, graceful aging.* Omega fatty acids improve the Omega-3 Index, a studied heart health marker, and help retain healthy triglyceride levels.* Zyflamend Heart provides the equivalent Omega fatty acids of three servings of Wild Alaskan Salmon per week[§] and the daily resveratrol content of six glasses of red wine. Includes the patented Zyflamend formula, the multi-herbal that may be as important as your daily multivitamin and delivers a multitude of naturally occurring compounds.

Caution: As with any dietary supplement, a healthcare professional should be contacted before use for those with a long term medical condition, taking regular medication or planning surgery. If an adverse event is experienced, discontinue use and contact a healthcare professional. Supplements are not a substitute for medical therapy. Taking with a meal and a full glass of water may reduce stomach upset. Avoid use if you are sensitive to caffeine. **Do not use if pregnant, nursing or considering pregnancy. Keep out of reach of children.** Read ingredients carefully and avoid use if known sensitivity to any ingredient.
