VEGETARIAN
FOOD SUPPLEMENT

HIGH STRENGTH MEXICAN YAM 180 capsules

DIRECTIONS: Take 1-2 capsules a day, with meals, or as your health professional advises. A daily multivitamin is also recommended. Do not exceed recommended daily intake.

Food supplements should not be used as a substitute for a varied and balanced diet and healthy lifestyle.

Not advisable if pregnant or breastfeeding.

Wild Yam is a root vegetable used in Asian cooking, where it is added to noodles and soups, or eaten as a side dish. It contains vitamins, minerals, fibre, carbohydrate and protein. Wild Yam is a good source of plant sterols, which are thought to contribute to Asian women's good health, especially around the time of the menopause.

This bottle has a UV filter.

Keep out of reach of children. Ensure lid is tight and store in a cool, dry, steam-free environment as damp conditions can affect the product quality.
