

Sinus & Respiratory Wellness

Sinus *Take Care* combines multiple ingredients, including full-spectrum Ginger and Lemon Balm, to support healthy sinus and respiratory function.* The formula provides broad-spectrum immune support by combining well-known traditional remedies, including Echinacea and Elderberry.* The pure and concentrated herbs in Sinus *Take Care* promote a healthy inflammation and antioxidant response, benefiting more than just the sinuses.* The botanicals in this blend, including Wintergreen, Purple Willow and Meadowsweet, have been carefully selected and combined to provide additional synergistic benefits. New Chapter uses no harsh chemical solvents, delivering a super-pure, super-potent natural herbal extract.
