DIRECTIONS: Take 1 capsule a day, with a meal, or as your health professional advises. Do not exceed recommended daily intake. A daily multivitamin is also recommended.

Food supplements should not be used as a substitute for a varied and balanced diet and healthy lifestyle.

STARFLOWER OIL (borage) is a rich source of GLA, a precursor for the body's production of prostaglandins which regulate many body functions. Each capsule contains, on average, 220mg GLA per capsule.

This bottle has a UV filter.
Keep out of reach of children. Ensure lid is tight and store in a cool, dry, steamfree environment as damp conditions can affect the product quality.
