restores the body's
natural alkalinity
with 20 pH test strips
(inside bottle)

180 capsules
VEGETARIAN
FOOD SUPPLEMENT

ALKA-CLEAR

180 capsules

ACC 180

DIRECTIONS: Take 5-6 capsules with a glass of water, or as your health professional advises. Do not take more than 24 capsules in 24 hours. **ALKA-CLEAR** is best taken on rising in the morning, but can also be taken between meals. Do not exceed recommended daily intake.

Avoid eating within half an hour after taking **ALKA-CLEAR**.

Food supplements should not be used as a substitute for a varied and balanced diet and healthy lifestyle.

TO CHECK YOUR pH

- Use the test papers provided, every other day.
- Apply a pH strip to your evening urine.
- Compare the colour against the chart provided inside the front cover of the test strip book.
- Normal urine pH is between 7.5-8.0 in the evening.

This bottle has a UV filter.

Keep out of reach of children. Ensure lid is tight and store in a cool, dry, steam-free environment as damp conditions can affect the product quality.
