HIGHER NATURE®

Active Marine Collagen COLLAGEN DRINK with hyaluronic acid & vitamin C

80g

**GRANULES
FOOD SUPPLEMENT**

NEW IMPROVED FLAVOUR

COLLAGEN DRINK 80g granules

- ✓ Vitamin C contributes to normal collagen formation for the normal function of skin.
- ✓ Hyaluronic acid plays an important part in the body's water maintenance by binding water molecules to tissue, especially in the skin.

DIRECTIONS: Adults, mix half a scoop to a smooth paste with a small amount of chilled water or juice (ideally orange, pineapple, grapefruit, cloudy apple or pear), then add more water or juice, stirring all the time until dissolved (approximately one minute) before drinking. Take 30 minutes before or 2 hours after meals, or as your health professional advises.

Food supplements should not be used as a substitute for a varied and balanced diet and healthy lifestyle.

HIGHER NATURE'S COLLAGEN DRINK provides pure marine collagen, hydrolysed for easy absorption.

Contains scoop. Contents may settle during transit and scoop may sink to the bottom.

Keep out of reach of children. Ensure lid is tight and store in a cool, dry, steam-free environment as damp conditions can affect the product quality.
