

We've taken our original NOS Blast formula back to the drawing board in order to include the most optimal ingredients — the end result is our Strongest and Most Complete Pre-Workout Supplement ever!

Fully-Loaded with three super-charged blends, our Elite Pre-Workout Intensifier is ready for Blast-Off.*

Our **CREA-ATP MATRIX** contains a dynamic 5g Creatine Blend to help enhance your raw strength and power.* We added 3g Arginine for Nitric Oxide Synthesis, plus 1.5g L-Citrulline Malate, and 500mg Agmatine to create the **NITRO-DILATE COMPLEX**, a truly game changing combination.* Finally, we created a **NEURO-MAX BLEND** to keep your mind and body energized and focused to crush your goals in the gym.*

DIRECTIONS: For adults, mix one (1) to two (2) scoops with 10-12 fluid ounces of water and consume prior to your workout. Vary the amount of water to achieve your desired flavor and sweetness level. Take this product with an adequate daily fluid intake for hydration. As a reminder, discuss the supplements and medications you take with your health care providers.

Begin with half the recommended dosage to assess individual tolerance and gradually increase to 2 scoops after several workouts. Do not take more than 2 scoops in a 24-hour period.

WARNING: Not intended for use by pregnant or nursing women. If you are taking any medications or have any medical condition, consult your doctor before use. Avoid this product if you have kidney disease. Discontinue use and consult your doctor if any adverse reactions occur. Not intended for use by persons under the age of 18 or for those sensitive to caffeine.

KEEP OUT OF THE REACH OF CHILDREN. STORE AT ROOM TEMPERATURE, TIGHTLY CLOSED AND AVOID EXCESSIVE HEAT. FOR YOUR PROTECTION, DO NOT USE IF SEAL UNDER CAP IS BROKEN OR MISSING.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Use in conjunction with an intense daily exercise program and a balanced diet including an adequate caloric intake.
