• **Labrada Fat Buster** capsules combine three of the most powerful natural fat burners in existence to help you shed unwanted fat pounds quickly and healthfully.\*\*

• **Svetol® Green Coffee Bean Extract** contains high amounts of a powerful fat-fighter called chlorogenic acid. Studies suggest that chlorogenic acid inhibits the enzymes responsible for the production of fat. It also slows down absorption of sugar.\*\*

• **Raspberry Ketones** stimulate fat loss and regulate metabolism by increasing the release of stored fat and augmenting the fat burning hormone adiponectin.\*\*

• **Ursolic Acid** is naturally occurring in apple peels and rosemary. It's been shown to support both fat loss and prevent muscle loss while dieting.\*\*
