Lean Body® Hi-Energy Fat Burner combines PhosphoLean®, the clinically proven appetite suppression compound, with powerful, high-energy thermogenic ingredients to help you shed unwanted fat. Lean Body® reduces your appetite, makes you feel more energetic, and improves your mood, to help you succeed on your diet!

WARNING: Keep out of the reach of children. Not intended for persons under the age of 21.

Consult your physician before use. Do not use if you are taking prescription or over the counter medication. Do not use with alcohol. Do not use if you are pregnant or nursing. Do not use if you have, or are being treated for high blood pressure, heart disease, renal disease, hyperthyroidism, spasms, migraines, psychiatric disease, or any other medical condition. Do not use if you are allergic to any ingredient in this product. This product contains caffeine and other stimulants and may cause nervousness, light headedness, irritability, sleeplessness and rapid heartbeat. Stop use of this product and seek medical help if you experience any of these symptoms. Limit use of any food or drinks that contain caffeine while using this product. This product contains ingredients that may be banned by some athletic or government organizations, including military.
