PE1™

PE1™ Performance Enhancer with Citrulline Nitrate provides NO3 plus key performance enhancing compounds to maximize muscle pumps and mental energy during workouts*.

Suggested Use: DO NOT EXCEED RECOMMENDED DAILY DOSE. USE ONLY AS DIRECTED. On Training Days: To determine tolerance, begin by taking one serving (1 scoop) mixed with 8 oz. of water 20–30 minutes before training. After personal tolerance has been determined, mix one to two servings (1–2 scoops) with 16 oz. of water. Take 20–30 minutes before training. Store in a cool, dry place. Humidity can cause product to clump.
