

CHAOTIC-LABZ

Suggested Use:

As a dietary supplement for adults, for the first three days, we advise taking only a serving (1 capsule) daily to test for personal tolerance levels. Drink at least 64 ounces of water throughout the day to avoid dehydration. Use for up to 8 weeks in a cycle, then discontinue use for 2 weeks before beginning a new cycle.

MORNING: Take 1-2 capsules

MID-AFTERNOON: Take 1-2 capsules

DO NOT EXCEED RECOMMENDED DAILY INTAKE. USE ONLY AS DIRECTED.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to prevent, treat, diagnose, or cure any disease.

Keep container tightly closed in a cool, dry and dark place.

WARNING * WARNING * WARNING * WARNING * WARNING

DO NOT USE IF PREGNANT OR NURSING. Not intended for use by those with a medical condition. Consult a physician or licensed qualified health care professional before using this product if you have a family history of any medical condition, including but not limited to thyroid disease, heart problems, high blood pressure, diabetes, depression or other psychiatric conditions, glaucoma, photosensitivity, hypertensive crisis, hemophilia, difficulty urinating, prostate enlargement, seizure disorder, kidney problems, liver disease, pancreas disorders, peptic ulcers, or if you are contemplating becoming pregnant, or if you are using a monoamine oxidase inhibitor (MAOI), anti-platelet/anti-coagulant drugs, theophylline, estrogens, acetaminophen, blood pressure lowering drugs, tricyclic antidepressants, beta-blocking drugs, thyroid drugs, sedatives or any other dietary supplement, prescription drug, or over-the-counter drug containing ephedrine, pseudoephedrine, or phenylpropanolamine (ingredients found in various allergy, cough/cold, or weight control products). Exceeding recommended dosage may cause adverse effects, including but not limited to restlessness, insomnia, gastrointestinal disorders, heart attack, or stroke. Discontinue use and call a physician or licensed qualified health care professional immediately if you experience rapid heartbeat, dizziness, severe headache, shortness of breath or other similar symptoms.

KEEP OUT OF REACH OF CHILDREN.
