

controlled-release FOCUS

**SHAKE
WELL**

**Maximum focus
and concentration
that lasts.[†]**

We use revolutionary controlled-release technology to deliver continuous concentration and focus for 10 hours![†]

RECOMMENDED USE: Consume one bottle at the start of your day. Do not exceed one bottle in a 24 hour period. Use or discard remaining contents within 72 hours of opening. Find out more at 10energyshot.com

WARNING: * Do not use if you are pregnant, nursing or under 18 years of age. Do not exceed one bottle daily. This product is for when you need increased alertness (focus) or stimulation (energy). For occasional use only. Consult your doctor before use if you have any medical conditions, are taking medication or are experiencing prolonged fatigue or drowsiness.

This product contains an initial release of focus blend followed by additional controlled-release of focus blend (caffeine and citicoline) over several hours. Excessive caffeine intake may cause nervousness, occasional rapid heartbeat, anxiety, or sleeplessness. Do not use with other products containing caffeine. Individual results may vary. *Zero crash from sugar.
