†RDA = Recommended Daily Allowance (new 2009 values)

May not be suitable for people with a fish or crustacean allergy.

TRUE FOOD® ALL MAN also contains B vitamins, betaglucans, glutathione, choline, inositol, amino acids and other phytonutrients naturally found in fermented food cultures of *Saccharomyces cerevisiae* (food yeast).

DOES NOT CONTAIN: lactose, dairy products, artificial preservatives, colours or flavourings.

Saccharomyces cerevisiae is grown in a non GM soya-based medium. The yeast cell walls are gently pre-digested and broken down with enzymes from pineapple and papaya fruit to release the nutrients within each cell.

Some people have an allergic response to yeast but the allergen, which causes an allergic response, is a protein on the yeast cell wall and when broken down the protein's ability to evoke an allergic response is largely lost.

Suitable for vegetarians and vegans.

This product is not tested on animals.

DIRECTIONS: Adults take 3 capsules a day, with or between meals, or as your health professional advises. Do not exceed recommended daily intake.

Food supplements should not be used as a substitute for a varied and balanced diet and healthy lifestyle.

Fermentation is a very special process forming natural organic bonds and loose complexes which are then digested by enzymes for optimum bioavailability. The active nutrients are added to a completed fermentation of the culture *Saccharomyces cerevisiae*.

B vitamins may turn urine bright yellow - this is normal.

INGREDIENTS: Proprietary mixture: zinc sulphate, magnesium chloride, copper sulphate, ascorbic acid, boric acid, niacinamide, ferrous fumarate, calcium pantothenate, riboflavin, d-alpha tocopherol, manganese chloride, chromium chloride, pyridoxine HCl, thiamine HCl, whole soya, sodium molybdate, folic acid, biotin, phytonadione, cyanocobalamin, vitamin D2 with enzyme digested *S.cerevisiae* (with soya); selenium, co-enzyme Q10, beta carotene enriched, enzyme digested *S.cerevisiae*; natural *Lithothamnion calcarea*, vegetarian capsule: hydroxypropyl methylcellulose; magnesium ascorbate, natural kelp, silicon dioxide, anti-caking agent: magnesium stearate*; carnitine, parsley, bromelain, vitamin A acetate* (stabilizer: acacia gum; stabilizer: sucrose; anti-caking agent: maize starch; antioxidant: dl-alpha tocopherol; anti-caking agent: tricalcium phosphate); fenugreek seed, garlic, natural horsetail, artichoke, ginger, α-lipoic acid, broccoli extract, *Lactobacillus sporogenes*, capsicum fruit (carrier: potato maltodextrin).
*(non-animal source).

Oranges are used during the fermentation process.

This bottle has a UV filter.

Keep out of reach of children. Ensure lid is tight and store in a cool, dry, steam-free environment as damp conditions can affect the product quality.
