DIRECTIONS: Take 1 capsule with a meal up to 3 times a day, or as your health professional advises. Do not exceed recommended daily intake.

A daily multivitamin is also recommended. Food supplements should not be used as a substitute for a varied and balanced diet and healthy lifestyle.

A white precipitate may naturally appear in the product in cold temperatures. This does not affect the efficacy or quality of the oil and will disappear at room temperature.

This bottle has a UV filter.

Keep out of reach of children. Ensure lid is tight and store in a cool, dry, steamfree environment as damp conditions can affect the product quality.
