Just one dose delivers an unrivalled sensory overload unlike anything you've ever tried.[▲] Try Hydroxycut[®] SX-7™ Black Onyx™ today!

- 1. Salvia miltiorrhiza** – An herb with long-standing traditional use, known to contain various phenolic acids such as danshensu and salvianolic acid B, as well as diterpene compounds such as cryptotanshinone, salvia has been added to enhance the sensory experience.[▲]
- 2. Coleus** – An ancient subtropical herb supplying forskolin. It's been trusted for years for its effects when combined with caffeine.
- 3. Theanine** – An amino acid that contributes to the unique sensory experience.
- 4. Caffeine anhydrous** – Scientifically researched ingredient shown to enhance thermogenesis, increase energy, and enhance mental focus.[▲]
- 5. Yohimbe bark extract** – A bark extract supplying a highly potent dose of the active compounds yohimbine and rauwolfscine.
- 6. Green coffee bean extract** – Subjects taking 200mg of premium green coffee standardized for 45% chlorogenic acids lost 10.95 lbs. in 60 days with a low-calorie diet, and 3.7 lbs. in 8 weeks with a calorie-reduced diet and moderate exercise.[▲]
- 7. Satsuma orange supplying beta-cryptoxanthin** – An ancient Japanese citrus fruit containing the unique active carotenoid compound beta-cryptoxanthin.

† Daily Value not established.

Other Ingredients: Capsule (Gelatin, Titanium Dioxide), Microcrystalline Cellulose, Magnesium Stearate, Silicon Dioxide.

Directions: To assess your tolerance, take one capsule with 8 oz. of water once per day. Once your tolerance has been assessed, take 1 capsule 2 times daily 30 to 60 minutes before your two largest meals of the day (e.g. breakfast and lunch). Once tolerance has been assessed and you are looking for an additional boost of energy, take an additional capsule with the first serving of the day. Do not exceed 3 capsules in a 24-hour period. For best results, use for 60 days in combination with diet and training.

Day 1 & 2 - 1 capsule, 1x daily **Day 3 & 4 - 1 capsule, 2x daily**

Day 5 & Beyond (For an additional boost of energy): Take 2 capsules in the morning before your first meal and 1 capsule later in the day before a meal.

WARNING: Not intended for use by persons under 18. Do not use if pregnant or nursing. Discontinue use and consult a medical doctor if you experience unusual symptoms. Consult a medical doctor before use if you have been treated for, or diagnosed with, or have a family history of any medical condition, or if you are using any prescription or over-the-counter drug(s). Consult a medical doctor before starting a diet or exercise program. One serving of this product contains up to as much caffeine as 1.5 cups of coffee. Caffeine sensitive individuals may experience the following symptoms, including (but not limited to) restlessness, nervousness, tremors, headache, anxiety, palpitations, increased heart rate, or difficulty sleeping. Do not combine with other sources of caffeine or stimulants. Discontinue use 2 weeks prior to surgery. Do not use for more than 8 weeks. Do not use if you have heart, sleep or anxiety disorders. One serving contains up to 5.2mg of yohimbe alkaloids. Do not exceed recommended serving. Improper use of this product will not improve results and is not advised. Use only as directed. **KEEP OUT OF REACH OF CHILDREN.**
