

PRODUCT INFORMATION

Three capsules typically provide:

Vitamin A (5555iu)	1667µg RE	208	Manganese*	0.33mg	17
(from retinol 1500µg)			Molybdenum*	40µg	80
(from beta carotene (1mg)* 167µg)			Chromium GTF*	30µg	75
Vitamin D (100iu)*	2.5µg	50	Boron*	0.75mg	
Vitamin E (15iu)*	10mg α-TE	83	Silicon	27mg	
Vitamin C (from True Food® nutrient & magnesium ascorbate)	145mg	181	Carnitine	15mg	
Thiamin (Vitamin B1)*	3mg	273	Co-enzyme Q10*	2mg	
Riboflavin (Vitamin B2)*	3mg	214	SuperPotency Soyagen*	25mg	
Niacin (Vitamin B3)*	18mg NE	113	α-lipoic acid	5mg	
Vitamin B6*	5mg	357	Sage	20mg	
Folic acid*	200µg	100	Kelp	200mg	
Vitamin B12*	2µg	80	Cranberry	10mg	
Biotin*	50µg	100	Artichoke	10mg	
Pantothenic acid (Vitamin B5)*	5mg	83	Dandelion root	10mg	
Vitamin K1*	40.2µg	54	Angelica	10mg	
Calcium	120mg	15	Broccoli	10mg	
Iron*	4mg	28	Ginger	10mg	
Magnesium (from True Food® nutrient, Lithothamnion calcarea & magnesium ascorbate)	28.8mg	8	Horsetail	8.6mg	
Zinc*	3.6mg	36	Parsley	30mg	
Iodine	100µg	67	Garlic	15mg	
Copper*	0.33mg	33	Capsicum	3mg	
Selenium*	75µg	136	Hops	20mg	
			Lactobacillus sporogenes (active)	50.4 million	
			Bioflavonoids*	12mg	
			*True Food® nutrients		

†RDA = Recommended Daily Allowance (new 2009 values)

May not be suitable for people with a fish or crustacean allergy.

TRUE FOOD® WISE WOMAN also contains B vitamins, betaglucons, glutathione, choline, inositol, amino acids and other phytonutrients naturally found in fermented food cultures of *Saccharomyces cerevisiae* (food yeast).**DOES NOT CONTAIN:** lactose, dairy products, artificial preservatives, colours or flavourings. *Saccharomyces cerevisiae* is grown in a non GM soya-based medium. The yeast cell walls are gently pre-digested and broken down with enzymes from pineapple and papaya fruit to release the nutrients within each cell.

Some people have an allergic response to yeast but the allergen, which causes an allergic response, is a protein on the yeast cell wall and when broken down the protein's ability to evoke an allergic response is largely lost.

Suitable for vegetarians and vegans.

This product is not tested on animals. This bottle has a UV filter.

DIRECTIONS: Adults take 3 capsules a day, with or between meals, or as your health professional advises.

Do not exceed recommended daily intake.

Food supplements should not be used as a substitute for a varied and balanced diet and healthy lifestyle.

Contains Vitamin A. Do not take if pregnant or planning pregnancy.
Contains iron which, if taken in excess, may be harmful to very young children. Keep out of sight and reach. Total content of iron per bottle is 240mg. B vitamins may turn urine bright yellow - this is normal.

Fermentation is a very special process forming natural organic bonds and loose complexes which are then digested by enzymes for optimum bioavailability. The active nutrients are added to a completed fermentation of the culture *Saccharomyces cerevisiae*.

INGREDIENTS: Proprietary mixture: magnesium chloride, ascorbic acid, ferrous fumarate, boric acid, zinc sulphate, niacinamide, d-alpha tocopherol, copper sulphate, riboflavin, pyridoxine HCl, whole soya, calcium pantothenate, folic acid, sodium molybdate, chromium acetate, thiamine HCl, biotin, manganese chloride, phytonadione, cyanocobalamin, vitamin D2 with enzyme digested *S.cerevisiae* (with soya); selenium, beta carotene, co-enzyme Q10 enriched, enzyme digested *S.cerevisiae*; natural *Lithothamnion calcarea*, vegetarian capsule: hydroxypropyl methylcellulose; natural kelp, magnesium ascorbate, bulking agent: microcrystalline cellulose; silicon dioxide, anti-caking agent: magnesium stearate*; parsley, carnitine, sage, hops, vitamin A acetate* (stabilizer: acacia gum; stabilizer: sucrose; anti-caking agent: maize starch; antioxidant: dl-alpha tocopherol; anti-caking agent: tricalcium phosphate); garlic, broccoli extract, artichoke, dandelion root, angelica, cranberry, ginger, natural horsetail, α-lipoic acid, *Lactobacillus sporogenes*, capsicum fruit (carrier: potato maltodextrin). * (non-animal source)

Oranges are used during the fermentation process.

Keep out of reach of children. Ensure lid is tight and store in a cool, dry, steam-free environment as damp conditions can affect the product quality.
