

DIRECTIONS FOR USE

Add one level scoop to 8 oz. of water, nonfat milk, juice, or your favorite beverage. You can use more or less liquid to meet your desired taste and calorie needs. Shake well in a shaker until dissolved. Whey protein can be added to any food, including yogurt.

About Time® doesn't believe in sacrificing one good thing for another, we want it all! That's why we develop products that stand for great quality AND great taste. In addition, we appreciate simplicity which is why all of our protein powders have 5 ingredients or less that you can actually pronounce.

About Time® is blended and packaged at our own facility in Pittsburgh, PA and we source our whey from dairy farms in the United States of America.
