

PRODUCT INFORMATION

One capsule typically provides:

Conjugated linoleic acid (CLA) min. 80% 1000mg

INGREDIENTS: Safflower oil providing octadecadenoic acid (minimum 80% as conjugated linoleic acid), capsule shell: gelatine, glycerine.

DOES NOT CONTAIN: sugar, salt, starch, soya, wheat, gluten, maize, corn, yeast, lactose, dairy products, artificial preservatives, colours or flavourings.

HIGHER NATURE'S CLA is derived from safflower oil and provides 40% c9, t11 isomers and 40% t10 c12 isomers.

Hypo-allergenic formula.

This product is not tested on animals.

Charitable organisations policy: supplements regularly donated

HIGHER NATURE®

CONCENTRATED CLA conjugated linoleic acid 1000mg

90 capsules
FOOD SUPPLEMENT

CONCENTRATED CLA 1000mg 90 capsules

DIRECTIONS: Take 1 capsule with a meal up to 3 times a day, or as your health professional advises. Do not exceed recommended daily intake.

A daily multivitamin is also recommended. Food supplements should not be used as a substitute for a varied and balanced diet and healthy lifestyle.

A white precipitate may naturally appear in the product in cold temperatures. This does not affect the efficacy or quality of the oil and will disappear at room temperature.

This bottle has a UV filter. Keep out of reach of children. Ensure lid is tight and store in a cool, dry, steam-free environment as damp conditions can affect the product quality.
