DIRECTIONS: Shake well before using. Stir 1 rounded teaspoonful of **ALKA-CLEAR** into a glass of water, or as your health professional advises. Do not take more than 3 rounded teaspoonfuls a day.

Take a full glass on rising in the morning, or make up a glass and sip throughout the day. Do not exceed recommended daily intake.

Avoid eating within half an hour after taking **ALKACLEAR**.

Food supplements should not be used as a substitute for a varied and balanced diet and healthy lifestyle.

TO CHECK YOUR pH

- Use the test papers provided, every other day.
- Apply a pH strip to your evening urine.
- Compare the colour against the chart provided, inside the front cover of the test strip book.
- Normal urine pH is between 7.5-8.0 in the evening.

This bottle has a UV filter.

Keep out of reach of children. Ensure lid is tight and store in a cool, dry, steam-free environment as damp conditions can affect the product quality.
