✓Consumption of foods containing isomalt instead of sugar may help maintain tooth mineralisation by decreasing tooth demineralisation.

DIRECTIONS: Chew 1-3 tablets (children over 4 years, 1 tablet) a day, or as your health professional advises. Do not exceed recommended daily intake.

Food supplements should not be used as a substitute for a varied and balanced diet and healthy lifestyle.

Excessive intake may cause a laxative effect.

Isomalt is a naturally derived 'tooth friendly' sweetener.

This bottle has a UV filter.
Keep out of reach of children. Ensure lid is tight and store in a cool, dry, steam-free environment as damp conditions can affect the product quality.
