Suitable for vegetarians and vegans.

This product is not tested on animals.

Charitable organisations policy: supplements regularly donated.

HIGHER NATURE®

ALOE GOLD

ALOE VERA JUICE

UNFILTERED
NATURAL

**HIGH POTENCY ALOE VERA JUICE
TRIPLE CONCENTRATE**
with up to 18,000 MPS per litre

1 litre

ALOE GOLD

high potency Aloe Vera juice
FOOD SUPPLEMENT

1 litre

AGN100

108

AGN-141-01

DIRECTIONS FOR USE: Adults: take 10-30ml (2-6 teaspoons) daily in juice or water, half an hour before or two hours after meals (children: take 10ml (2 teaspoons) daily) or as your healthcare professional advises. When desired, a maximum of 240ml (16 tablespoons) may be taken daily. Do not exceed recommended daily intake. Reduce intake if diarrhoea occurs.

Food supplements should not be used as a substitute for a varied and balanced diet and healthy lifestyle.

ALOE GOLD is harvested from whole leaves of the superior *barbadensis* Miller Aloe Vera, using unique, new gentle biotechnology that extracts up to 20 times more vital nutrients. Independent testing shows that **ALOE GOLD** contains up to 18,000 MPS* per litre. **ALOE GOLD** contains valuable glyconutrients and healthy amounts of aloin, the anthraquinone glycoside naturally present in whole leaf Aloe, which gives Aloe juice its distinctive golden colour.

ALOE GOLD is flash pasteurised and protected with gentle preservatives which are essential in preventing unwanted bacteria (possibly hazardous to health) from growing in the nutritious Aloe juice (Aloe products which claim to be preservative-free have largely been destroyed by cooking). Every batch is independently tested.

*MPS: methylalcohol precipitating solids polysaccharides.

REFRIGERATE AFTER OPENING AND CONSUME WITHIN 2 MONTHS FOR OPTIMAL ACTIVITY

Best before end: See base
