

NOTE: Limit the use of xanthine-containing (i.e., caffeine and caffeine-like stimulants) supplements, foods, or beverages while consuming this product because stimulants may cause nervousness, irritability, sleeplessness and occasionally, rapid heartbeat. If you or your health-care provider have any questions, please call: 1-800-898-5153.

NOTE TO THE PEOPLE OF CALIFORNIA: The following notice is required by California's Safe Drinking Water and Toxic Enforcement Act of 1986, better known as Proposition 65. This notice does not apply to any other state in the Union.

WARNING: This product contains a chemical known to the State of California to cause birth defects or other reproductive harm.

To put this notice in perspective, the value of lead contained in Thermodynamic Preworkout Extender (a plant-containing dietary supplement), is well within the range and below the mean value of naturally occurring lead levels found in plants growing in non-contaminated soils. A person eating the USDA-recommended 3-5 servings of vegetables daily could consume up to ten times more lead than the stringent maximum recommended by California.
