

Designed to support an intense increase in pleasure response by enhancing the amount of semen

Dual action supplement consisting of testosterone boosters, herbs and nutrients to increase semen volume, amplify arousal and achieve harder, longer-lasting erections.

Zinc: Mineral which strengthens sperm health and motility and increases semen volume. Also essential for generation of testosterone.

Maca: Increases sexual energy, strength and stamina, boosts libido, promotes healthy semen and sperm production.

Epimedium: Adaptogen which helps increase Nitric Oxide production, benefits erection capabilities, stimulates sensory nerves to achieve increased orgasm duration and intensity.

Non-Stimulating; Non-Caffeinated: Flower Pollen Extract works to intensify the body's energy levels, improves endurance, strength and stamina. Pine Bark and L-Arginine together help increase quality and duration of erection. Pine Bark also helps increase semen volume.
