SCIENCE • INNOVATION • QUALITY • RESULTS

HEXAPRO™ is an Ultra-Premium, Ultra-Satisfying Blend of 6 High-Quality Proteins

HEXAPRO™'s 6 highly-bioavailable proteins are fast, medium and sustained release proteins that ensure high amino acid levels with both short and long term delivery. Each Protein has been carefully selected to achieve maximum protein assimilation and absorption. HEXAPRO™ is also fortified with 5 Amino Acids to enhance recovery, including all 3 BCAAs essential for protein synthesis and providing a rapid energy source for muscles.*

1) **WHEY PROTEIN CONCENTRATE (WPC):** Widely considered to be one of the best, most highly-bioavailable proteins, WPC is rapidly assimilated providing a surge of amino acids to the body to accelerate recovery and boost protein synthesis.*
2) **MILK PROTEIN CONCENTRATE (MPC):** A unique combination of 80% Casein Protein and 20% Whey Protein, MPC provides a slower delivery of protein due to the unique properties of Casein.
3) **WHEY PROTEIN ISOLATE (WPI):** Considered by most to be the ultimate in protein supplementation due to its exceptionally rapid rate of absorption and delivery.
4) **MICELLAR CASEIN (MC):** The slowest rate of absorption, providing amino acid delivery for up to 7 hours. This ensures that you can stave off muscle breakdown due to lack of amino acids for a much longer duration.*
5) **EGG ALBUMIN:** Made from pure egg whites, the albumin component is considered a medium-rate digestion and assimilation.
6) **HYDROLYZED WHEY:** Hydrolyzed Whey has an extremely fast rate of assimilation. Hydrolyzed Whey has gone through the process of being broken down into Mono, Di and Tri peptides and provides HEXAPRO™ with peptide fortification with ultra-rapid assimilation.

TRULY. SATISFYING. PROTEIN.

HEXAPRO™ has a truly rich, thick milkshake-worthy taste that will make you re-think Protein. Delicious and satisfying taste, HEXAPRO™ creates an experience that will make you fall in love with Protein all over again. With taste like this, you will want to make HEXAPRO™ a part of your daily routine. Getting your Protein fix with this kind of regularity will help you achieve any goal.

REACHING YOUR GOALS.

Every athlete, fitness competitor or bodybuilder will tell you that frequent feeding is essential. HEXAPRO™ makes getting extra feedings into your schedule delicious and extremely convenient.
6 High-Quality Proteins blended together in an ideal ratio to provide fast, medium and slow delivery; HEXAPRO™ delivers truly, satisfying, protein with a taste that defies the term "Protein Shake".

Amino Acid Profile
per 44 g serving

Essential Amino Acids (EAA)	
Branched-Chain Amino Acids (BCAA)	
L-Leucine	2859 mg
L-Valine	1131 mg
L-Isoleucine	1148 mg
L-Histidine	580 mg
L-Lysine	1588 mg
L-Methionine	599 mg
L-Phenylalanine	836 mg
L-Threonine	1126 mg
L-Tryptophan	489 mg
L-Alanine	913 mg
L-Arginine	661 mg
L-Aspartic Acid	1723 mg
L-Cysteine	548 mg
L-Glutamine	3085 mg
L-Glycine	2220 mg
L-Proline	1305 mg
L-Serine	980 mg
L-Taurine	2400 mg
L-Tyrosine	809 mg
TOTAL	25,000 mg

Total protein level, as performed by lab analysis, includes amino acid content.

Protein value calculated on "as dry basis".

Ingredients: HEXAPRO™ 6-Protein Blend (Whey Protein Concentrate [WPC 80%, Cold-Temperature Processed, Cross-Flow Microfiltered], Milk Protein Isolate [80% Casein:20% Whey], Whey Protein Isolate [WPI 90%, Cold-Temperature Processed, Cross-Flow Microfiltered], Micellar Casein [MC 90%, Undenatured], Egg Albumin, Hydrolyzed Whey), HEXAPRO™ AminoPlex (L-Glycine, L-Taurine, L-Leucine, L-Isoleucine, L-Valine), HEXAPRO™ Suspension Matrix (Maltodextrin, Fibersol-2®, Inulin, Xanthan Gum, Cellulose Gum, Carrageenan), HEXAPRO™ Lipid Fuel (Sunflower Oil, Soy Oil, High-MCT Coconut Oil, CLA (Conjugated Linoleic Acid), High-Omega3 Flax Seed Oil).
Other Ingredients: Natural and Artificial Flavors, Sodium Chloride, Acesulfame Potassium, Sucralose.
ALLERGEN INFORMATION: Contains Protein derived from Milk and Egg; contains Lecithin derived from Soy (less than 1%). Produced in a facility that also handles peanut, tree nut, fish, crustaceans/shellfish, and wheat products.

SUGGESTED USE: Blend, Mix or Shake 1 scoop (44 g) of HEXAPRO™ with 6 to 8 oz of water or low-fat milk depending on desired taste and consistency anytime you want a premium satisfying high-protein beverage.
WARNINGS: Use only as directed. Do not use if outer seal is broken. Store in a cool, dry place. KEEP OUT OF REACH OF CHILDREN. Women who are pregnant or nursing should consult their doctors before using dietary supplement products. Always consult a healthcare professional before starting any diet or exercise program.
