

Immune System Support*

Immune Take Care™ combines multiple revered herbs to promote healthy immune function through multiple pathways.* The antioxidative constituents in Elderberry unite with those in Black Currant to provide complementary immune-supportive benefits.* Our Austrian-sourced Elderberry is optimally grown to support the body's natural immune defenses.* Black Currant extract supports healthy microbial balance and helps to maintain normal cell growth.* A unique membrane extraction and use of ZERO solvents delivers the full-spectrum benefits of our active ingredients in their natural profiles.
