

QUALITY PURE GLUTEN-FREE GREEN GRASS-FED NON-GMO DELICIOUS

BioChem® 100% Whey has been a pioneer in crafting whey protein for over 15 years and continues to be a **leader** in whey proteins today.△

Now from BioChem®, the #1 in Whey protein△, comes the specially formulated 100% Greens + Whey. Whey protein isolate uses the same high quality **microfiltration/ultrafiltration** method as our original 100% whey products to create an undenatured, pure whey protein isolate, and is sourced from **grass-fed** cows and **NON-GMO** ingredients to produce a pure whey protein powder.

However, in addition, this formula is fortified with our proprietary Greens blend that provides antioxidant support.*** With **greens** like Alfalfa leaf and Barley Grass, which include chlorophyll, as well as Chlorella and Spirulina which provide the **goodness** of natural whole foods.

Whey protein isolate is sourced and made in the **U.S.A.** and retains some of the immunoglobulins and lactoferrin as well as the 3 important branch-chained amino acids. Certified Gluten-Free, this **DELICIOUS** protein mixes easily to form a smooth and creamy Greens shake, or try as a perfectly complementary ingredient in your morning oatmeal. This formula also includes prebiotic organic agave inulin to help support microflora balance.***

Choose from either of our **Classic** flavors: a light **Vanilla** or creamy **Chocolate**. No artificial flavors, colors, or sweeteners.

Simply 100% Whey.
