

PRODUCT BENEFITS: Calcium provides the building blocks that help keep bones and teeth strong and healthy.* It also plays a role in proper function of the musculoskeletal and nervous systems.* Magnesium helps to regulate calcium transport and stimulates the secretion of calcitonin, a hormone that aids in the influx of calcium into bone.* Vitamin D is required to promote calcium absorption, which helps to maintain healthy bones and teeth.* Vitamin D also supports a healthy immune system.* This formulation provides Calcium, Magnesium and Vitamin D3 in a delicious and easy-to-absorb liquid form for daily supplementation.

† Adequate Calcium and Vitamin D as part of a healthful diet, along with physical activity, may reduce the risk of osteoporosis in later life.

Directions: For adults, take one (1) tablespoon (0.5 fl. oz.) (15 mL) daily, preferably with a meal or follow the advice of your health care professional. As a reminder, discuss the supplements and medications you take with your health care providers.
