DIRECTIONS: For maintenance, adults and children over 12 months take 1 capsule a day before bed, or on an empty stomach in the morning, with a glass of water, or as your health professional advises. During times of challenge, take 2-3 capsules a day before bed, or on an empty stomach in the morning, with a glass of water. Do not exceed recommended daily intake.

Food supplements should not be used as a substitute for a varied diet.

Consult your practitioner before taking in cases of auto-immune disorders or organ transplants.

This bottle has a UV filter.
Keep out of reach of children. Ensure lid is tight and store in a cool, dry, steam-free environment as damp conditions can affect the product quality.
