IMG090

DIRECTIONS: For maintenance, adults and children over 12 months take 1 capsule a day before bed, or on an empty stomach in the morning, with a glass of water, or as your health professional advises. During times of challenge, increase to 2-3 capsules a day. Do not exceed recommended daily intake.

Food supplements should not be used as a substitute for a varied and balanced diet and healthy lifestyle.

Consult your practitioner before taking in cases of auto-immune disorders or organ transplants.
