**FOOD SUPPLEMENT**

## ASTAPURE® TIMELESS BEAUTY 30 capsules

**DIRECTIONS:** Take 1 capsule a day, with a meal (adults and children over 4 years), or as your health professional advises. Best absorbed when taken with a meal containing olive (or other vegetable) oil.

**Astaxanthin** is the ultimate skin protecting antioxidant. More powerful even than Vitamin E, it helps protect skin against harmful free radicals and UV light, helping to delay the visible signs of premature ageing - for 'timeless beauty'. It enhances the antioxidant action of Vitamins C and E, which also guard against age-accelerating free radicals. **AstaPure® Timeless Beauty** provides pure **Astaxanthin** extracted from an unpolluted source of the aquatic plant *Haematococcus pluvialis*. The optimal daily intake of just 4mg is easy to include into any beauty regime.

Keep out of reach of children. Ensure lid is tight and store in a cool, dry, steam-free environment as damp conditions can affect the product quality.
