

PRODUCT BENEFITS: PhysiLogics provides a premium source of calcium with a comprehensive blend of vitamins and minerals in OsteoLogic® Pro. The calcium in this exclusive formula promotes a solid foundation for optimal bone health.*

Adequate Calcium as part of a healthful diet, along with physical activity, may reduce the risk of osteoporosis in later life.

Directions: For adults, take two (2) tablets up to two times daily with meals or follow the advice of your health care professional. As a reminder, discuss the supplements and medications you take with your health care providers.

WARNING: If you are pregnant, nursing, taking any medications or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur.
