

**PRODUCT BENEFITS:** Bilberry anthocyanidins provide support for healthy eye function by promoting circulation and collagen formation.\* Anthocyanidins also serve as antioxidants, helping to scavenge free radicals generated by the exposure of the eye lens to light.\*

**Directions:** For adults, take one (1) capsule three to four times daily, preferably with meals or follow the advice of your health care professional. As a reminder, discuss the supplements and medications you take with your health care providers.

\*These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.
