

PRODUCTS BENEFITS: Stress B Formula provides a high-potency essential B vitamin complex needed for several metabolic processes.* Thiamin serves as a cofactor for pyruvate dehydrogenase and BCKA dehydrogenase during energy metabolism while Niacin acts as an electron acceptor during carbohydrate and amino acid catabolism.* Folic Acid, Pyridoxine and Cyanocobalamin work together to promote healthy levels of homocysteine already within the normal range.* The B vitamin complex provides nourishment for busy lifestyles.*

Directions: For adults, take one (1) tablet daily, preferably with a meal or follow the advice of your health care professional. As a reminder, discuss the supplements and medications you take with your health care providers.

FREE OF: artificial color, artificial flavor, preservatives, sugar, starch, milk, lactose, fish, sodium.

TAMPER RESISTANT: Do not use if seal under cap is broken or missing.

KEEP OUT OF REACH OF CHILDREN. Store at room temperature and avoid excessive heat.

WARNING: Not intended for use by pregnant or nursing women. If you are taking any medications or have any medical condition, consult your doctor before use. Avoid this product if you are allergic to yeast. Discontinue use and consult your doctor if any adverse reactions occur.
