

Flex-a-min® Triple Strength cushions and lubricates joints.* When used daily, Flex-a-min® Triple Strength can provide long-term nourishment for your joint cartilage, especially for joints that may be occasionally stressed from everyday wear and tear, such as the knees and hips.*

Bone Shield contains a natural form of Vitamin K2 important for bone health but not readily found in the diet.* Vitamin K2 works by activating enzymes responsible for bone formation – helping to maintain bone mass and strength.*

Directions: For adults, take two (2) caplets daily, preferably with a meal. Take this product with plenty of fluids. For best results, take the full dosage of Flex-a-min® daily.

No Artificial Flavor or Sweetener, No Preservatives, No Sugar, No Gluten, No Wheat, No Yeast.

WARNING: If you are pregnant, nursing or taking any medications, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur. Not intended for use by persons under the age of 18. Keep out of reach of children. Store in a cool, dry place. Do not use if seal under cap is broken or missing.

Aflapin™ - A proprietary joint care ingredient which shows improvement in joint comfort in 7 days.¹

1. This statement is based on two human studies of Aflapin™ using subjective measures in which participants rate their joint health. In these studies, after 7 days, improvement continued to be seen, including in biomarker analysis.

Aflapin™ is a trademark of Laila Nutraceuticals, India. International patents pending.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
