

Herbal Supplement

Estro-Logic® is an exclusive, patented, clinically tested formula that offers natural plant derivatives, rich in isoflavones, which the body can use to maintain normal estrogen levels.* Created by Kathleen Fry M.D., Gynecologist and Claudia Joy Wingo, Medical Herbalist, this unique combination of ingredients supports healthy hormone balance for women experiencing midlife changes.* These ingredients have been proven effective in extensive studies.

Warning: Please consult with a healthcare professional before use, especially if you are pregnant, nursing or have a history of liver disease.

** These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.*

Do not use if cap drop ring or inner seal is broken or missing.

Estro-Logic®
