

PROBIOTIC SUPPLEMENT

KYO-DOPHILUS®9 is formulated with three Lactobacillus strains and six Bifidobacterium strains. This unique blend of nine probiotics contains specially cultured human strains of friendly bacteria that are carefully processed to retain viability at room temperature, insuring an adequate number of cells for colonization in the intestines.

KYO-DOPHILUS 9 helps maintain a balanced intestinal flora and promote healthy intestinal and immune function.* Take **KYO-DOPHILUS 9** daily!
