

LOT 0111142
MFG 211

DIRECTIONS:

As a dietary supplement, take one to three tablets 60 minutes prior to meals or at bedtime (on an empty stomach) or as needed daily, or as recommended by a health care professional. Montiff's Tri-Phosphate-B contains the active coenzymatic forms of B-1, B-2, and B-6 for maximum utilization of these vitamins. The enteric preparation will dissolve in the intestinal tract, where it can be best absorbed. To be used as Dietary supplement in a normal food program.

Contains no Starch, Corn, Milk, Wheat, Yeast, Sugar, Eggs, Salt, Artificial Colors, Binders, Flavors, Preservatives, fish derivatives or animal products.

A GMP Product. Do Not Refrigerate. Keep out of reach of children. Store in a cool, dry place. Keep tightly closed.

This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
