YOUR PERSONAL ACTIVITY
RECOVERY SYSTEM

Today, you lived life to the fullest with exhilarating activity. You used GQ-6 FLOOD to help you every step of the way. Now, it's time to wind down. But you're so invigorated from the day's events that achieving relaxation, much less drifting off into slumber, is proving difficult.

That's where GQ-6 ReKuvr takes over. It's a nite-time formula with scientifically-backed ingredients shown to support rest and rejuvenation. It has L-Theanine to promote relaxation, and melatonin to support natural sleep. With the amino acids L-Glutamine and L-Leucine, your muscles get the fuel they need to recover. It's all about getting you prepared to do it all again tomorrow.[†]
