

YOUR PERSONAL POWER BOOSTER

Hydration is critical...especially when your activity levels increase. Of course, you already knew that, which is why you choose GQ-6 FLOODID. It's got the osmolality to get you rapidly hydrated and on your game. But sometimes you crave that extra edge. You want a little pep in your step to help bring your performance up a notch. You want a little body and mind stimulation.

That's why we developed Re-Ful Energy, the scientific approach to energy activation. It has just the right amounts of research-backed ingredients. For you, this means doing what you do best, fully confident that Re-Ful Energy has got your back. Re-Ful Energy is your personal power booster that can be added to FLOODID, or your favorite beverage (although FLOODID is better for its absorption). Re-Ful Energy supports circulation with AAKG to promote ENDURANCE. It provides POWER with Taurine, Caffeine, and L-Tyrosine. It gives you PERSERVERENCE with Prickly Pear Extract to push your activity further.[†]
