EXTREME FLEX

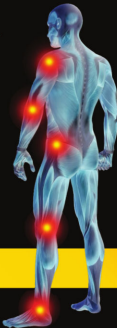

RELIEF IN AS LITTLE AS 3 DAYS!
RESULTS MAY VARY.

Extreme Flex™ has been scientifically formulated to provide maximum joint pain relief. It utilizes the revolutionary ingredient UC-II®, which is 2x stronger than Glucosamine and Chondroitin - common ingredients in joint formulas. UC-II® improves flexibility and mobility. Extreme Flex™ also contains Perlunan®, working as an all-natural equivalent to ibuprofen for temporary relief of minor pain**.

Supporting and strengthening both bone and joint, Extreme Flex™ enables the body to perform and recover at its optimum level.
