ASTAXANTHIN & BLACKCURRANT

AST090
113

- ✓ Contains astaxanthin, a powerful carotenoid.
- ✓ Carotenoids are naturally found in plants & help protect them from free radical damage.
- ✓ Astaxanthin may have particular affinity for the skin & eyes.
- ✓ Could be ideal for prolonged exposure to the sun.
- ✓ Blackcurrants are an excellent source of anthocyanidins, polyphenols and vitamin C.

DIRECTIONS:

Adults and children over 8 years, take 2 capsules a day, with a meal, or as your health professional advises. Do not exceed recommended daily intake.

Food supplements should not be used as a substitute for a varied and balanced diet and healthy lifestyle. Best absorbed when taken with a meal containing olive (or other vegetable) oil.
