SOOTHE &
IMMUNE

with sweetener (stevia)

This soothing hot drink, with manuka honey, black elderberry extract and beta glucans, is ideal for when your kids are not quite feeling themselves.

With added vitamin C, which contributes to the normal functioning of the immune system.

PRODUCT INFORMATION:

One sachet (4g) typically provides:	%RDA*
Vitamin C	200mg 250
Beta-(1,3/1,6)-D-glucans	100mg
Black elderberry extract	200mg
Manuka honey (NPA 10+)	750mg

*RDA = Recommended Daily Allowance

DIRECTIONS:

Blend one sachet (4g) into a mug of hot water until it dissolves. Take daily or as your health professional advises. Do not exceed recommended daily intake. Food supplements should not be used as a substitute for a varied and balanced diet and healthy lifestyle. Suitable for children over 3 years.

STORAGE:

Store in a cool, dry, steam free environment out of reach of children. For best before end: see base.
