

GNC PUREEDGE™ sets the new standard for quality, nature-based sports nutrition without sacrificing delicious taste or the performance benefits you'd expect from the industry leader by providing powerful natural compounds and clinically studied ingredients. Each product is certified banned substance free, contains no unhealthy artificial additives, and features a powerful **Functional Flavor System** that utilizes active flavoring ingredients to go beyond delicious taste and deliver additional healthy functional benefits. These innovative products give you a strong and wholesome foundation for personal improvement in any fitness pursuit.*

Complete Vegan Protein is GNC's first-ever, 20g plant-based protein with powerful whole-food-based blends that target vital core body systems with nature's best ingredients for optimum health and exercise performance. Whether you need to enhance post-workout muscle recovery or satisfy your hunger with this deliciously nourishing choice, we made sure each ingredient counts toward the daily nutritional needs of your healthy and active lifestyle.

Naturally superior, the **Vegan Amino Acid Matrix** is packed with the ultimate exercise recovery and muscle support:

- 4,000mg branched chain amino acids to build, repair and fuel muscle^{3a}
- 6,000mg glutamine to support muscle function and exercise recovery^{*}
- No soy, gluten or dairy amino sources^{*}

Derived from 4 powerful vegetable sources, the **Whole-Food-Based Vegan Performance Blend** contains some of nature's best health and exercise performance support:

- 1 full serving of wholesome vegetables[†] to support daily nutritional needs^{*}
- Clinically proven beet extract to increase strength and enhance athletic performance^{*}

Deliciously satisfying and free of artificial flavors, this clean performance protein also supplies:

- 20g protein from 5 plant-based sources – pea, navy bean, chickpea, whole grain quinoa and brown rice^{*}
- 100mg **Nutrient Digestion Blend** made from pineapple and papaya to help support protein, fat and carbohydrate digestion^{*}
- 13g clean, maltodextrin-free carbs for sustained energy featuring 5g hunger-satisfying fiber & 4.6g wholesome Vegetable Blend^{*}

This advanced Functional Flavor System provides amazing taste plus functions as a system to provide additional health support.* Instead of artificial ingredients, this system uses cocoa, a potent antioxidant, to provide a natural, great-tasting flavor while protecting healthy cells from damaging free radicals.* Even the delicious natural flavor is working for you!
