Probiata Digestion Support comes in an easy to swallow capsule conveniently blistered to help take to work or when you travel. This high-potency pure probiotic taken once-per-day helps replenish and balance intestinal flora, build intestinal strength and support overall healthy digestion and regularity.*

Probiata Digestion Support contains proprietary LP299V pure strain probiotic, supported by over 75 scientific studies.

Unlike other high potency probiotic products which contain mixed-strains of bacteria that have not been studied at higher potencies or in combination, Probiata Digestion Support contains proprietary LP299V® (*Lactobacillus plantarum* 299v) probiotic researched for over 25 years by Swedish doctors, microbiologists and nutritionists.

Probiata Digestion Support contains a high-potency 15 Billion 100% pure-strain culture of LP299V®.

SUGGESTED USE: Take 1 capsule with a meal daily.
