

Independent clinical trials conducted by a leading U.S. university have shown the unique *PERCEPTIV* formula helps protect against the normal cognitive decline of aging while building the body's natural defenses against cell damage. These trials also have shown that *PERCEPTIV* improves working memory and everyday cognitive abilities.*

Directions: Take 2 caplets per day with food. Do not exceed recommended dosage. Keep out of reach of children. Store in a cool dry place.

Caution: People with bipolar disorder should consult a physician before taking this product.
