Plant-Based Protein Formula

Give your active body the nutrients it wants and optimize your lifestyle with Nature's Food™ Organic Protein. Enjoy the nutritive power of 18g of protein, and feed your muscles the essential amino acids they need to recover and rebuild. Nature's Food™ Organic Protein delivers a high-quality alternative to soy, whey and milk-based proteins with organic rice protein. It digests easily before or after your workouts to help deliver 3g of branched chain amino acids and boost protein synthesis.* It also delivers zero dairy, lactose, soy or gluten.

Nature's Food™ Organic Protein can also be taken throughout the day to enhance the protein content of your favorite meals. Also, it has added probiotics and digestive enzymes. And like every Nature's Food™ protein, Organic Protein has no fillers, no artificial flavors and no artificial sweeteners.

Use Nature's Food™ Organic Protein after your next workout, walk, yoga class, or whatever it is that gets you moving, to optimize your fitness results and your lifestyle.
